Objectives of the course:

- understand the different purposes of assessment,
- understand the theoretical frameworks for assessment and the terminology used,
- understand the assessment methodology most suited general practice/family medicine,
- develop skills in using the appropriate assessment tools,
- practice their skills in assessment and feedback in a secure learning environment,
- understand the impact of assessment on teaching and learning, and on themselves as teachers,
- be able to apply their knowledge and skills in their own context as teachers (time, level of students, place, country).

Target audience:

The course is addressed to current or future trainers in general/family practice involved in one-to-one or university based teaching, wishing to improve their knowledge, skills and competence

Language:

The whole course will be held in English. All teaching materials will be provided in English

Local organizers:

Unit of General Practice, Oulu University Hospital, Address: PL 10, Aapistie 1 (Kastellin tutkimuskeskus, 2nd floor), 90029 OYS, Finland

The Finnish Association for General Practice,

The Finnish Medical Society Duodecim

Tutor of the course:

Paula Vainiomäki,
Clinical teacher, University of Turku

Barbara Toplek

EURACT Administrative Secretary

Contents of the course:

It is an entry level course aimed at teachers in family medicine who have little or no experience in the use of assessment methods. It will be of value to those engaged in basic medical education and speciality training, and suitable for university based as well as one-to-one teachers in family practices.

Session 1: Introduction

Session 2: Overview of methods in use in family medicine

Session 3: Theoretical background to assessment Methodologies

Session 4: Multiple choice questions including extended matching quest

Session 5: Communication skills assessment

Session 6: Work based assessment methods

Session 7: OSCE (Objective Structured Clinical Examinations)

Authors of the course:

Prof. Justin Allen

Professor, Past-President of EURACT, Honorary Professor of Family Medicine, De Montfort University, Leicester, UK
